Message by Nicolas Hieronimus

“Our Group has emerged stronger from the health crisis and our business model is balanced in terms of Divisions, geography and categories.”

NICOLAS HIERONIMUS
CEO

Dear L'Oréalians,

In 2018 and 2020, under the leadership of Jean-Paul AGON and the entire executive committee, the Group decided to offer you the opportunity to become L'Oréal shareholders, by purchasing shares¹ in our company on preferential terms.

Together, these two plans have enabled some 30,000 employees to demonstrate their commitment to and confidence in the future growth and values of the L'Oréal Group.

In 2022, we are again pleased to offer you another opportunity to strengthen your link with the Group and our future financial and extra-financial success.

This plan will give you another opportunity to join in our everyday quest, whatever your role in the company, of creating the beauty of the future and defining the shape of the L'Oréal of tomorrow through digital, technological and environmental transformations.

Our Group has emerged stronger from the health crisis and our business model is balanced in terms of Divisions, geography and categories.

Finally, beyond our financial performance, your commitment allows L'Oréal to participate in a common goal, our 'raison d'être': to create the beauty that moves the world.

The 2022 plan will have an extended scope – with 64 countries² participating (compared with 52 in 2018 and 57 in 2020).

As CEO of this great company, it is my deepest conviction that you, our employees, are our biggest asset.

I look forward to making this plan, once again, a big success.

I thank you for your commitment and your confidence in our collective adventure!

Understanding the Employee Share Plan

AN INVESTMENT IN L'ORÉAL SHARES IN THE INTERNATIONAL EMPLOYEE SHARE PLAN

In this L'Oréal Employee Share Plan, you can purchase L'Oréal shares via the "L'Oréal Employee Share Plan Relais 2022" employee shareholding fund (FCPE)⁵ on preferential terms. This "relais" fund groups together the employee subscriptions and will be merged with the "L'Oréal Employee Share Plan" FCPE when the capital increase is

completed. After the two funds have merged, you will hold "L'Oréal Employee Share Plan" FCPE units.

The "L'Oréal Employee Share Plan" FCPE is a collective investment fund restricted to Group employees wishing to invest in L'Oréal shares.

Each employee will receive the number of FCPE shares proportional to their investment.

A Supervisory Board consisting of L'Oréal employees and representatives of the enterprise is responsible for examining the management⁶ of this FCPE.

ADVANTAGES OF THE OFFER

20% discount

As an employee, you benefit from a Plan subscription price that includes a 20% reduction. This reduction is called the "discount". The L'Oréal share subscription price will be fixed on June 3, 2022 and is equal to the reference price, to which the 20% discount is applied. The reference price is the average opening listed price of the L'Oréal shares between May 6 and June 2.

L'Oréal gives you up to four free L'Oréal shares in addition to your subscription. This is a contribution made by the Company. You will be given the free shares at the end of the lock-in period, i.e., around July 26, 2027, if you are still a L'Oréal Group employee on that date (or in the special cases mentioned in the "Local Supplement").

Up to 4 free shares

⁵ The relay fund will merge with the "L'Oréal Employee Share Plan" FCPE subject to Supervisory Board and French Financial Markets Authority (AMF) approval. The "L'Oréal Employee Share Plan" FCPE is invested in L'Oréal shares. As a result, subscribers are recommended to evaluate the need to spread their savings. It is essential to read the Key Investor Information Document (KIID) on the "L'Oréal Employee Share Plan" FCPE.

⁶ See the FCPE rules.

FREE SHARE RULE

If you purchase in 2022 ⁷	+	L'Oréal will give you free ⁸ in 2027	=	TOTAL investment in 2027

2 shares		1 share		3 shares

You can buy a maximum of 50 shares (unless the shares are oversubscribed).

+

=

IF YOU PURCHASE 3 SHARES IN 2022
 L'ORÉAL WILL GIVE YOU⁸ 2 FREE SHARES IN 2027
 BRINGING YOUR TOTAL INVESTMENT TO 5 SHARES IN 2027

In this hypothetical example in which the reference price is €350 per L'Oréal share and exchange rate 1.4, the share purchase price would be €350 x 1.4 - the 20% discount = \$392, i.e., a payment of \$1,176 for 3 L'Oréal shares.

If the L'Oréal share price is again €350 and exchange rate 1.4 on July 26, 2027, your investment would be worth \$2,450 in 2027.

You pay in 2022
3 X \$392 = \$1,176
 +
L'Oréal gives you free in 2027
2 X €350 X 1.4 = \$980
 =
Total value of your investment in 2027
5 X €350 X 1.4 = \$2450

THE VALUE OF YOUR INVESTMENT WILL VARY DEPENDING ON THE L'ORÉAL SHARE PRICE

IN THIS EXAMPLE, BY PURCHASING 3 SHARES:

You pay in 2022		If the L'Oréal share price in trading on July 26, 2027	The value of your total investment in 2027 will be ¹⁰
	↘	Is 15% down on the reference price, i.e., €297.5 x 1.4	\$2,082.50
\$1,176	=	Is equal to the reference price, i.e., €350 x 1.4	\$2,450
	↗	Is 15% up on the reference price, i.e., €402.5 x 1.4	\$2,817.50

⁷ Via the FCPE.

⁸ If you are still a Group employee.

⁹ If you purchase more than 10 L'Oréal shares, you will receive the maximum of 4 free shares.

¹⁰ Excluding taxes and dividends.

PARTICIPATING IN THE EMPLOYEE SHARE PLAN

FOR A LONG-TERM INVESTMENT

Investing in L'Oréal shares is a personal decision

Before you decide to invest in this Plan, we invite you to consult the latest annual or half-early reports by the L'Oréal Group. These documents contain important information on the Group and its strategy, performance and financial position. The details contained in this brochure are provided solely for information and do not constitute financial or investment advice from L'Oréal. Your decision to participate in this operation is a free and strictly personal one.

The value of your investment depends on the share price

Your investment will follow the L'Oréal share price up and down. As a result, you may make a capital loss. Consequently, the value of your assets on exit from the Plan may be less than your personal contribution, depending on the share price.

Your investment will be locked in for 5 years

Your investment will be locked in until July 26, 2027 (inclusive), except in the early release situations mentioned in the "Local Supplement". L'Oréal will give you the free share(s) at the end of the lock-in period, around July 26, 2027, if you are still a L'Oréal Group employee on that date (or in the special cases mentioned in the "Local Supplement").

At the end of the five-year lock-in period:

- you can either keep your "L'Oréal Employee Share Plan" FCPE assets for as long as you want
- or
- request the full or partial redemption of your assets.

FOR FURTHER INFORMATION

on early release situations, please consult the "Local Supplement".

Note

L'Oréal shares are listed in euros on the Paris Stock Exchange. The value of your investment will vary as the exchange rate between the euro and your currency fluctuates over the term of your investment. Consequently, if the value of the euro rises against your currency, the value of your shares will rise in your currency. Conversely, if the value of the euro drops against your currency, the value of your shares will drop in your currency.
