Local Offering Information

Subscription Period

The subscription period starts on June 8, 2022 and lasts until June 22, 2022 (inclusive).

During the subscription period, you may subscribe online at <https://invest.loreal.com>. Username and password will be provided to you by email or mail. You may also subscribe with a paper subscription form should you not have access to internet. Please contact your Human Resources department to receive a subscription form.

Unless you subscribe through Internet, please return your duly completed subscription form before June 22, 2022 Mr. Alexis Vernhes, Compensations and Benefits Manager, L'Oréal Middle East, The Galleries 3, Downtown Jebel Ali, PO BOX 16924, Dubai, United Arab Emirates.

Subscription Price

The subscription price will be set on June 3, 2022 as the average opening price of the Shares over the 20 preceding trading days minus a 20% discount.

It is to be noted that your subscription is in euro. Consequently, for purposes of your subscription, the amount of your payment in UAE Dirhams will be converted by your employer using the exchange rate, applicable by or around June 3, 2022, that will be communicated to you on demand. During the life of your investment, the value of the Shares subscribed through the FCPE will be affected by fluctuations in the currency exchange rate between the euro and UAE Dirhams. As a result, if the value of the euro strengthens relative to the UAE Dirhams, the value of the Shares expressed in local currency will increase. On the other hand, if the value of the euro weakens relative to the UAE Dirhams, the value of the Shares expressed in UAE Dirhams will decrease.

Method of Payment – What are the payment methods available for my subscription?

The following payment methods are available:

The payment of your subscription will be done exclusively by salary deduction through the payroll. The maximum amount to be deducted from your salary each month will be 20% of your monthly salary

Custody of your shares, voting rights, dividends

Your shares will be subscribed and held on your behalf by a collective shareholding vehicle, known as a *Fonds Commun de Placement d'Entreprise*, or an FCPE, which is commonly used in France for the conservation of shares held by employee-investors. You will be issued units in the FCPE corresponding to

the shares you will have subscribed and those representing the employer matching contribution once delivered to you at the end of the lock-up period subject to the conditions described below.

As long as your L'Oréal shares are held by the FCPE "L'OREAL EMPLOYEE SHARE PLAN", the voting rights pertaining to such shares will be exercised by the supervisory board of the FCPE on behalf of the employees.

Any dividends paid by L'Oréal will be automatically reinvested in this FCPE and will increase the value of the units held therein.

Currency Exchange Control

Purchase of foreign securities and opening of securities accounts abroad are not subject to any local authorizations in the UAE. With the exception of restrictions on Israeli¹ currency and currencies subject to any UN and other international sanctions, there are no specific exchange control regulations on the payment of purchase price, transfer of the purchase price abroad or receipt of dividends in a foreign currency.

Lock-up period and Early Exit Events - In which cases may I ask for an early redemption ?

Under the L'Oréal employee share plan 2022, your investment must be held for a period of five-year, ending on July 26, 2027.

Nevertheless, you may be able to request early release and exit from the plan before the end of the lock-up period in the case of early exit events as described below:

1. marriage or civil union;

¹ The Arab League Boycott of Israel was made law in the UAE pursuant to Federal Law 15 of 1972. Federal Decree-Law 4 of 2020, enacted in August, repealed Federal Law 15 of 1972 in its entirety. Although the 1972 statute is no longer in effect, it would be misleading to assume that dealing in Israeli currency may be conducted just like dealing in any other currency. Among other things, the systems and the software used by many of the banks in the UAE are not yet equipped to handle Israeli currency

2. birth or adoption of a third child (or higher);
3. divorce (if custody of at least one child is retained);
4. domestic violence committed against the employee by his/her spouse, partner, civil partner, or his/her former spouse, partner or civil partner;
5. disability of the employee or spouse or child;
6. death of the employee or his/her spouse;
7. use of proceeds for creation by the employee, child or spouse of certain businesses;
8. use of the proceeds for the acquisition or enlargement of the principal residence;
9. over-indebtedness; and
10. termination of employment.

These early exit events are defined by French law and must be interpreted and applied in a manner consistent with French law. You should not conclude that an early exit event is available unless you have described your specific case to your employer and your employer has confirmed that it applies to your situation, upon your providing the requisite supporting documentation.
