“ We want to further strengthen this value sharing to as many people as possible by allowing everyone to invest at their own pace. ”

NICOLAS HIERONIMUS
Chief Executive Officer

Dear L'Oréalians,

L'Oréal has always been very keen to share its success with you and give you the opportunity to unite closely with the future of the company.

Every day, across the world you contribute to our transformation towards a more digital, more responsible, more sustainable, more agile L'Oréal; and day-after-day you demonstrate how this commitment differentiates us and makes us stronger.

That is why, since 2018, three employee shareholding plans have been offered and today more than 37,000 of you hold shares; this demonstrates your confidence in the future of the Group, and I thank you for that.

We want to further strengthen this value sharing to as many people as possible by allowing everyone to invest at their own pace and become a shareholder¹ of L'Oréal.

This is why we have the ambition, from this year, to annualize the employee shareholding plan, thus offering the possibility to each L'Oréalien to invest in Group shares under preferential conditions, and thus support the development of the company.

This plan will be deployed in all countries where feasible with enhanced accessibility for new employees in the company.

I leave it to you to discover the terms of this plan which will be launched next June and which, I hope, will be a great success.

I thank you for your commitment and your trust and you can count on my dedication to always making L'Oréal a successful company that creates, with and thanks to you the beauty that moves the world.

L'Oréal's employee share plan

AN ANNUALISED EMPLOYEE SHARE PLAN²

This year marks an important step in the sharing of value within L'Oréal, as the Group intends to give you the opportunity to participate in its share purchase plan on an annual basis.

Offering you the chance to invest in L'Oréal shares, via the FCPE, every year reflects our strong commitment to making employee shareholding more widely available within the Group. Facilitating access to the Employee share plan each year will allow you to invest at your own pace.

WHO CAN PARTICIPATE?

All employees with 12 months of consecutive employment in a L'Oréal Group company as of 19 June 2024 and who are still employed on 19 June 2024.

BY TAKING PART IN THE PLAN, YOU CAN ENJOY A NUMBER OF ADVANTAGES

A 20% discount

As an employee, the subscription price you benefit from under the Plan includes a 20% reduction. This is referred to as the discount.

The subscription price per L'Oréal share will be set on 31 May 2024 and will be equal to the reference price minus the 20% discount. The reference price is the average opening market prices of the L'Oréal share between 3 May and 30 May 2024 (inclusive).

For this new Employee share plan, L'Oréal supplements your personal contribution with a matching contribution of up to 3 shares.

You will receive the matching share contribution at the end of the lock-in period, on or around 31 July 2029. These free shares will be delivered to you, provided that you are an employee of the L'Oréal Group on that date (unless otherwise specified in the "Local Supplement").

A matching contribution of up to three shares

²Future share offerings will be subject to the prior approval of the company's shareholders and its Board of Directors, to the authorization of the relevant authorities, notably the French AMF (*Autorité des Marchés Financiers*), to the completion of the required procedures with employee representatives, and to market and economic conditions. The offered conditions may vary from year to year.

| For a 2024 subscription of | + | L'Oréal will contribute in 2029 | = | Total amount of the 2029 investment |
|----------------------------|---|---------------------------------|---|-------------------------------------|
| 1 share | | 1 share | | 2 shares |
| 2 shares | | 1 share | | 3 shares |
| 3 shares | | 2 shares | | 5 shares |
| 4 shares | | 2 shares | | 6 shares |
| 5 shares | | 2 shares | | 7 shares |
| 6 and more shares | | 3 shares | | 9 and more shares |

For six or more shares purchased, you will receive the maximum matching contribution of three shares in 2029.

By comparison, under previous plans, the maximum matching contribution was four shares every two years, i.e. a theoretical maximum of two shares per year.

In this case, with a reference price per L'Oréal share of €430, the subscription price per share would be €430 - 20% discount = €344, i.e. a payment of €1,032 for three L'Oréal shares. Assuming that the L'Oréal share price is €430 again on 31 July 2029, the value of your investment in 2029 would be €2,150. This assumes that the value of the free shares in 2029 is equal to the reference price.

**Your subscription

3 X €344 = €1,032

**Matching contribution

(3+2) X €430 = €2,150

AN INVESTMENT IN L'ORÉAL SHARES, VIA THE FCPE, AS PART OF THE PLAN INTERNATIONAL D'ACTIONNARIAT SALARIÉ (PIAS OR INTERNATIONAL EMPLOYEE SHARE PLAN)

Under the L'Oréal Employee Share Plan, the shares are held via the "L'Oréal Employee Share Plan Relais 2024" FCPE (*Fonds Commun de Placement d'Entreprise* or Employee Shareholding Fund).

The purpose of this temporary fund is to collect employee subscriptions; it will be merged with the "L'Oréal Employee Share Plan"⁵ FCPE upon completion of the capital increase. Following the merger of these two funds, you will hold units in the "L'Oréal Employee Share Plan" FCPE.

The "L'Oréal Employee Share Plan" FCPE is a shareholding fund reserved for Group employees who wish to invest in L'Oréal shares. Each employee will receive a number of FCPE units in proportion to their investment.

A Supervisory Board, composed of employees elected from among unit holders and representatives of L'Oréal, is in charge of reviewing the management of this FCPE⁶.

YOUR INVESTMENT IS SUBJECT TO SHARE PRICE FLUCTUATIONS

Your investment mirrors the L'Oréal share price and is contingent upon L'Oréal share price fluctuations. It therefore carries a risk of capital loss.

Consequently, depending on the share price, the value of your assets on exit could be less than your initial investment.

In light of the risk concentration on the securities of a single company we recommend that you assess the need to diversify your savings in order to spread the risk. Please refer to the FCPE regulations to find out more about the associated risks.

Please note for countries outside the Eurozone:

As the L'Oréal share is listed in Euros on the Paris Stock Exchange, the value of your investment will vary throughout your investment period based on fluctuations in the exchange rate between the Euro and your currency. This means that if the Euro gains in value against your currency, the value of the shares in your currency will rise. Conversely, if the Euro loses in value against your currency, the value of the shares in your currency will fall.

⁵The bridge fund will merge with the "L'Oréal Employee Share Plan" FCPE with the consent of the Supervisory Board and subject to the approval of the Autorité des Marchés Financiers (AMF). The "L'Oréal Employee Share Plan" FCPE is invested in L'Oréal shares. As a result, subscribers are advised to assess the need to diversify their savings. It is imperative that you read the Key Information Document ("KID") of the "L'Oréal Employee Share Plan" FCPE.

⁶Please refer to the FCPE regulations.

YOUR INVESTMENT IS LOCKED-IN FOR 5 YEARS, EXCEPT IN CASES OF EARLY RELEASE

Your investment is locked-in until 30 July 2029, except in authorised cases of early release (these cases are mentioned in the “Local Supplement” document).

You will receive the shares offered under the matching contribution at the end of the lock-in period, on or around 31 July 2029, provided that you are still an employee of the L’Oréal Group on that date (unless otherwise specified in the “Local Supplement”).

At the end of the 5-year lock-in period, you may:

- 1. keep your assets** in the “L’Oréal Employee Share Plan” FCPE for as long as you like,
- 2. sell your investment** by asking for the redemption of your units.

WHAT HAPPENS IN THE EVENT OF AN OVERSUBSCRIPTION?

If the total number of share requests exceeds the number of shares made available as part of the Employee Share Plan, the largest subscriptions (including matching contribution) will be reduced until the total number of shares offered under the plan has been reached.

If the plan is oversubscribed, you will be informed of the amount of your final subscription once the reduction process has been processed.

INVESTING IN L’ORÉAL SHARES IS A PERSONAL DECISION
