Local Offering Information

Subscription Period

The subscription period starts on June 10, 2026 and lasts until June 24, 2026 (inclusive).

During the subscription period, you may subscribe online at <https://invest.loreal.com>. Username and password will be provided to you by email or mail. You may also subscribe with a paper subscription form should you not have access to internet. Please contact your Human Resources department to receive a subscription form.

Unless you subscribe through Internet, please return your duly completed subscription form (together with the requisite enclosures) before June 24, 2026 at the employer's Human Resources Department.

Subscription Price

The subscription price will be set on June 5, 2026 as the average opening price of the Shares over the 20 preceding trading days minus a 20% discount.

It is to be noted that your subscription is in euro. Consequently, for purposes of your subscription, the amount of your payment in UAH will be converted by your employer using the exchange rate, applicable by or around June 4, 2026, that will be communicated to you. During the life of your investment, the value of the Shares subscribed through the FCPE will be affected by fluctuations in the currency exchange rate between the euro and UAH. As a result, if the value of the euro strengthens relative to the UAH, the value of the Shares expressed in local currency will increase. On the other hand, if the value of the euro weakens relative to the UAH, the value of the Shares expressed in UAH will decrease.

Method of Payment – What are the payment methods available for my subscription?

The following payment methods may be available:

- Salary Deduction over 10 months starting in July 2026 Please note that the total amount of monthly deductions must not exceed 50% of the salary due to the employee; and / or
- Wire transfer to the employer bank account: IBAN UA 863510050000026001224498300 between July 10 and July 21, 2026.

Custody of your shares, voting rights, dividends

Your shares will be subscribed and held on your behalf by a collective shareholding vehicle, known as a *Fonds Commun de Placement d'Entreprise*, or an FCPE, which is commonly used in France for the conservation of shares held by employee-investors. You will be issued units in the FCPE corresponding to the shares you will have subscribed and those representing the employer matching contribution once delivered to you at the end of the lock-up period subject to the conditions described below.

As long as your L'Oréal shares are held by the FCPE « L'OREAL EMPLOYEE SHARE PLAN», the voting rights pertaining to such shares will be exercised by the supervisory board of the FCPE on behalf of the employees.

Any dividends paid by L'Oréal will be automatically reinvested in this FCPE. Such reinvestment will result in the issuance of additional units or fraction of units.

Lock-up period and Early Exit Events - In which cases may I ask for an early redemption?

Your investment must be held for a period of five-year, ending on July 30, 2031 (inclusive).

Nevertheless, you may be able to request early release and exit from the plan before the end of the lock-up period in the case of early exit events as described below:

1. marriage or civil union;
2. birth or adoption of a third child (or higher);
3. divorce (if custody of at least one child is retained);
4. domestic violence committed against the employee by his/her spouse, partner, civil partner, or his/her former spouse, partner or civil partner;
5. disability of the employee or spouse or child;
6. death of the employee or his/her spouse;
7. use of proceeds for creation by the employee, child or spouse of certain businesses;
8. use of proceeds for the acquisition or enlargement of the principal residence;
9. over-indebtedness;
10. termination of employment;
11. use of proceeds for energy-efficiency renovation work on the main residence; and
12. use of proceeds for the purchase of an electric and/or hydrogen-powered vehicle.

These early exit events are defined by French law and must be interpreted and applied in a manner consistent with French law. You should not conclude that an early exit event is available unless you have described your specific case to your employer and your employer has confirmed that it applies to your situation, upon your providing the requisite supporting documentation. The transfer of redemption proceeds to you is expected to be subject to administrative and regulatory constraints. The current estimate is that transfers may take approximately three weeks.
